God's Love on Display

God is Sovereign. What does that mean? It means that God is in control of everything that happens. God was in control of all the events that happened to Jesus the day they put Him on the cross. John 19:10-11 says, "Then saith Pilate unto him...knowest thou not that I have power to crucify thee, and have power to release thee? Jesus answered, Thou couldst have no power against me except it were given thee from

above." God's Love for us was on display that day when He allowed them to crucify Jesus. We know that Jesus could have gotten away from the soldiers at any time. Yet He did not. He knew it was the will of the Father that this was the appointed time for Him to die and He willingly sacrificed Himself on our behalf. Of course, we know that was not the end. Three days later He rose from the dead, conquering death. All of this was done because of the love He has for us.

What a Wonderful Savior we have!

"I want to be saved"

I had the privilege recently to speak at an elementary chapel at a local Christian school. After I was done speaking, a teacher brought a young boy to me and said that he wanted to talk about Salvation. We talked, but this boy was not ready to receive Jesus as his Savior. After I prayed with him, I walked the boy back to his room. The teacher looked at me and said, "I have another boy that would like to talk to you." I said that was fine. As we walked back to the chapel the boy said to me, "I want to be saved." **As we sat down and talked, this young boy realized his need for Christ and made the decision to accept Jesus as his Savior!**

What a great privilege to see how the Gospel changes lives!

School Ministry Update

This has been a different type of year, but we are glad to report that two new clubs have started in the Newville area. They have met for about four weeks now and will meet until about the middle of May. So we have four different clubs going on right now. Pray for wisdom for the teachers as they teach these clubs for the next six weeks. Pray that several more kids would come and learn about Christ and their need for salvation.

Family Fun Spring Rally

We are planning a Family Fun Spring Rally, and it should be lots of fun! Hope you can come! Here are the details:

April 24th from 1:30-4:30pm at the Newville First Church of God

There will be **County Fair Games, door prizes, crafts, and some surprises throughout the afternoon.** Joel will be sharing the Gospel during the day so please pray that he would be able to share in a way that is clear and that God will work in the hearts of those that come.

****We have enclosed a flyer. If you can't use the flyer yourself, please pass it on to those that you think would enjoy it.**

** We are making this a free event for families, but we are anticipating a cost of about \$500.00 to run this event. If you would like to help us provide this fun day and help us share the Gospel with the children of Cumberland County, please indicate it on your check. **

Summer Missionaries

Alyssa McLeod, my daughter and a summer missionary last year, has said she would like to come back this summer as a summer missionary. Do you know of a young lady who is looking for an opportunity to serve the Lord this summer? We would love to find a partner for Alyssa. Our Summer Missionary program is a paid position that runs from the middle of June through the middle of August. A summer missionary is trained specifically to teach the Bible effectively to children. This training is so valuable and can be used in other ministry opportunities for the rest of their lives. We are praying that God would send us one young lady to partner with Alyssa. If you know a Christian young lady who is at least 15 years old and enjoys working with children, have them call us to discuss this wonderful opportunity.

Good News Day Camp Volunteers

We are so excited that it looks like we will be able to get back into the churches this summer for our Good News Day Camps. We are planning to do three different Good News Day Camps throughout Cumberland County. Each camp needs about 30 volunteers to be effective.

We need both adults and teens to work with the children for each week of camp. Come join us as we teach the stories of Nehemiah this summer.

If you would like to join us for an exciting week and be a blessing to the children at camp this summer, please call us so we can talk about where you would like to help.

Tentative Dates for our Good News Day Camps this Summer:

Mark your Calendars!!!
