February 2021

What about the kids?

As you well know, a lot has happened in our country in the last year. We have seen some unbelievable things that we probably thought we would never see in our country. How does all this affect the children? While kids are resilient, this year has been like no other year and many kids are confused, upset, and even depressed by what has been happening.

While this has been a difficult year to do ministry, we can also look at it as an opportunity to share the hope that we have with Christ. There are opportunities to teach and to encourage kids with the Gospel of Christ. Children need to know that there is a God, He is in control of everything, and He has a plan for even these things that we see going on. **Thank you for helping us share about the hope we have in Christ!**

Fall / Winter Ministry Update

Home Clubs

We have not been allowed to be in the schools so far this school year. We continue to teach two home clubs each week, one in Dillsburg and one at the CEF office in Carlisle. It has been an encouragement to have some in-person ministry this year. ***Continue to pray that the children in these two clubs will all come to know Jesus as their Savior!***

One or two more clubs?

We are still hoping to start a club or two in the Newville area. If we are not allowed in the schools, we are looking at other possible places that would be willing to host a Good News Club for us.

- Pray that we would be able to start something soon in the Newville area.
- Pray that our teachers and helpers in that area would not be discouraged.
- Pray that we would be able to reach many children in that area with the Gospel.

Zoom Clubs

If nothing works out in the Newville area, we will be starting an online Zoom Good News Club for the kids that don't have a club right now.

- Pray for wisdom to handle the Zoom Good News Club effectively.
- If we do go to a Zoom Club, pray that many children would join us online.

Thank you for your prayers as we try to share about the hope we have in Christ!

Summer is Coming Soon!

Although we are just now getting into February, we are starting to make summer plans. Of course, at this point we don't know what this summer will look like. Would you start praying for some of these summer ministry requests?

- Pray for wisdom as we begin to plan for summer ministry, not knowing what exactly we should plan for.
- Please pray that God would allow us to have our normal summer ministry programs.
- Pray that God would allow us to have four Good News Day Camps this summer.
- Pray that God would provide us with two summer missionaries again this summer.
- Please pray that God would provide the volunteers that we need for each of our Good News Day Camps.
- Ask the Lord to provide enough 5-Day Club locations this year.
- Pray that we would have the opportunity to work with many unsaved children during our summer ministry.
- Would you pray that many children would come to accept Christ as their Savior?

70th Anniversary Celebration

We are excited about our 70th year of ministry. We are still hoping to meet together to celebrate our 70th Anniversary, but at this point we are not sure when that will be due to the restrictions from the Coronavirus Pandemic.

We are looking at the possibility of having our 70th Anniversary celebration in September.

We hope you will join us as we celebrate God's goodness to us over the years. We will let you know of the date once we decide.

Financial Update

Many of you have asked how our finances have been doing during this Pandemic. Thank you for your interest in our ministry. We are praising the Lord that our finances for 2020 were actually pretty good.

Although we had more expenses than donations for the year, we are praising the Lord that the needs were always met.

We would like to thank those of you who have partnered with us financially during this unusual year.

We are specifically praying for more opportunities to share the ministry with local churches and let them see what God is doing right here in Cumberland County.
