March 2021

Exciting Spring Ministry Opportunities

The weather is starting to get warmer and things are starting to get busier here at CEF of Cumberland County. We are excited about the ministry opportunities that are coming this spring. I hope these things will get you excited about what God is doing and that you will pray for us over the next few months.

Update on School Ministry

The two Good News Clubs that have been meeting since November have been going well and will continue until the end of April.

We finally are able to start our Good News Clubs in the Newville area; Praise the Lord! We have waited patiently and now we have the opportunity that we have been praying for.

- The club will meet after school on Tuesdays and Thursdays.
- As the flyers go out, pray for many children to join us for these Good News Clubs that will meet for about 10 weeks.
- Pray for wisdom for all the volunteers as they teach these clubs each week.
- Pray that the Gospel will be clear and children will understand their need for a Savior.
- Pray that the children we are working with would be willing to talk to counselors if they have questions about salvation.
- Pray that everyone will remain safe and healthy during this time.
- Please pray that God would allow us the opportunity to work with these children again this summer at camp.

Partnering with a local Church

At the end of March we are looking forward to working with children at a retreat that will be put on by a local church. We will have the opportunity to teach the children from preschool through 5th grade for about six hours throughout the weekend as the adults are in different sessions. **What a wonderful opportunity we will have to work with these children and teach them about Jesus!**

Spring Camp Day

While following CDC protocols to keep everyone safe, we are hoping to host two Mini Camp Days. Camp is one of our greatest ministries all year long, so we thought why not let the kids experience many parts of our day camp in the spring?

What will we do during our Spring Camp Day? We will include many of the things that the kids have come to love at our camps in the summer all in one day. A few things that the kids can expect are skits, songs, missions time, recreation, county fair activities, a Gospel presentation, prizes, and possibly a pie in the face of Mr. Joel!

We will be mailing out flyers pretty soon. Contact us if you would like to receive one. We are looking forward to this opportunity to share the Gospel with many children during these two events. Pray that God would bless our efforts and work out the details for these events to be successful.

Easter Club

What do you think of when you hear someone talk about the cross and the tomb? Do you remember who told you about Jesus for the first time? Wouldn't it be wonderful to be the one to introduce a child to Jesus? Unfortunately, we meet many children who don't have any idea what the cross and resurrection mean. Many children don't really know why we celebrate Easter. Why don't you host an Easter Club this year and allow us to come and share the wonderful truths of Easter with the children in your neighborhood? If you

would like to reach the children with these great truths, please call us at 717-243-1955 and we will plan a day that will work for you.

Don't miss this opportunity to tell a child about Jesus!

Summer Ministry

Do you want to be used of God this summer to reach children with the Gospel?

Hosting a 5-Day Club

A host invites the children in their neighborhood to a club that meets at their house for one hour for 5 consecutive days. These clubs can also meet in a day care center, so if you work in a day care, call us to see how we can work together.

Day Camp Volunteer

We are hoping to have 4 Good News Day Camps this summer. To have a successful camp we need a variety of volunteers. We need those who would like to work directly with the children, but we also need kitchen workers and counselors. We just need those that will say "Yes, I will help children hear about Jesus at camp this summer."

Call us at 717-243-1955 if you would like to join us this summer!

We have decided our 70th Anniversary Celebration will be in September!
The date and location will be announced soon!
