SUMMER MISSIONARIES

Alyssa McLeod, my second daughter, has said she feels that God would have her come back and join us this summer as a Summer Missionary. Last summer, Alyssa did a great job as she served as a Summer Missionary Trainee. This summer she will have the responsibility of teaching the Bible Lesson as well as the other parts of club that she taught last summer. We know that Alyssa loves the Lord and desires to serve Him with her life. She will be busy this summer teaching 5-Day Clubs and serving at our Good News Day Camps. **We are certainly excited to have Alyssa join us again this summer!**

Summer Missionary Opportunity Available

We are trusting God to provide the right partner to serve with Alyssa as a summer missionary.

What type of person are we looking for to fill this paid position?

- A young lady at least 15 years old that loves the Lord
- Someone that works well with children and is looking for an opportunity to serve the Lord

If you know someone that might be interested in this wonderful opportunity, please call us and we can contact her about serving the Lord in Cumberland County this summer.

Some things to pray for Alyssa as she teaches this summer:

- Pray that God will help her as she prepares for the summer ahead.
- Please pray that she will have strength for each day, wisdom as she shares the Gospel, and discernment as opportunities to counsel children may come up.
- Ask God to give her a real burden for each child that she comes in contact with each week.
- Please pray for the children who hear the Gospel this summer, that they would see their need for a Savior and accept Him!

Supporting Alyssa McLeod

Each year we let you know how much it will cost to take on a summer team. We are always blessed by how generous you are in your support of our Summer Missionaries. This year it will cost about \$1,850.00 to have Alyssa join us. If we hire a second young lady, then the cost to hire two young ladies will cost about \$3,700.00. This cost covers their training school, materials, weekly salaries, gas expenses, and some miscellaneous expenses. If you would like to support our summer missionaries, please fill out the form and send it back to our office.

Thank you for helping us reach children for Christ this Summer!

Spring Rally was a Success

Terri sharing the Gospel as she did hand painting!

Joel sharing the Gospel during the Rally!

On April 24th we hosted a Spring Rally for the families of Cumberland County. The kids that came had a lot of fun, but the purpose of the day was to share the Gospel with all that came. Each child got a goodie bag when they were about to leave which included a Bible, a salvation tract, some CEF material and some other things. I was able to share the Gospel three different times throughout the day to the children that were there at that time. They also heard the Gospel as they got their hand painted. We didn't have anyone that came for counseling, but you never know how God will use His Word in the hearts of the children and the adults that were there.

Summer is Coming Soon

5-Day Clubs

Would you be willing to Host a 5-Day Club? Alyssa and hopefully her partner will be teaching 5-Day Clubs throughout the summer starting the last week of June.

If you would like our Summer Team to come and teach at your house or day care, please give us a call so we can line up a time that works for you.

- Looking for help with VBS this year? We have teamed up with churches in the past to help with their VBS. We can come and do our hour long program which includes Bible lessons, songs, missions time, etc. Sometimes the church will then add to our program with crafts, games, snacks, etc. Call us to see how we can work together!

Good News Day Camps

We are anticipating three great weeks of Good News Day Camps as we teach the children about the life of Nehemiah. We are praying that God will send 200 children or more to our camps this summer. We need many volunteers to help the children learn more about God and His love for them. ***Would you like to help?***

Our three weeks of Good News Day Camp this summer are:

July 5-9 - in Enola July 19-23 - in Carlisle August 2-6 - in Newville

Camp Sponsorship

Each year we have some children that cannot afford to come to camp. What a joy it is to tell their parents not to worry about the cost as we have people who have given to sponsor children for camp. Would you like to give a child the joy of coming to camp? We have been able to keep the cost of camp at just \$20 per child. If you would like to help one or more children come to camp this summer, please fill out the form and send it to the office.

___ Yes, I would like to help support Alyssa McLeod.

Amount - _____

___ Yes, I would like to sponsor a child or children to come to camp.

Amount - _____ (\$20 for each child)
